

How to find Arden's templates on SystmOne

The screenshot shows the SystmOne GP interface for a patient named Mr. Mighty Mouse. The 'Patient Home' view is active, displaying various sections like 'High Priority Reminders', 'Reminders', and 'Sensitivities & Allergies'. A red box highlights the 'Cervical Screening' section, which contains a list of templates: 'Pharmacist', 'Primary Care Pharmacist', 'Print Template: Pharmacist', and 'Print Template: Primary Care Pharmacist'. A red oval highlights the 'Pharmacist' template. A red arrow points from the 'Pharmacist' template to the search bar at the bottom left, which contains the text 'pharmacist'.

Type 'pharmacist' or 'pharmacy technician' into search bar and select the 'pharmacist' or 'pharmacy technician' template (NOT the primary care pharmacist template).

Pharmacist

Other Details... Exact date & time Mon 11 May 2020 11:47

Changing the consultation date will affect all other data entered. To avoid this, cancel and press the 'Next' button [Hide Warning](#)
