## Part Two – How to Access the PrescQIPP eLearning Courses

**Step 1** - Open the PrescQIPP eLearning Platform (<https://moodle.prescqipp.info/login/index.php>) and login.  
Your email confirmation of registration will also contain this link.

**Step 2** – On this landing page, click “PrescQIPP Courses” on the right hand side of the page (as circled in red opposite), or scroll down to see the full list of eLearning courses available.

(See page 4 of this guide for details of the eLearning courses for Adult Social Care.)

The screenshot shows the PrescQIPP landing page with a navigation menu (Home, Dashboard, Help) and an ANNOUNCEMENTS banner. A 'Course categories' menu is visible on the right, with 'PrescQIPP Courses' circled in red. Below the menu, there are site announcements and a course category for 'PrescQIPP Courses' with a 'Courses made by PrescQIPP subscribers' link.

**Step 3** – Once you have found the course you wish to access, click “Access course” (circled below).

The screenshot shows the course details page for 'Managing medicines for adults receiving social care in the community: course 1'. It includes a circular logo with a stylized 'e', course description, and an 'Access course' button circled in red.

**Managing medicines for adults receiving social care in the community Course 1**

This is the first of two e-learning courses covering this subject and is based on guideline 67 from the National Institute for Health and Care Excellence (or NICE) which was published in March 2017.

It focusses on the medicine-related processes which social care providers need to consider in relation to medicines use.

**Approx time to complete:** 2.5 hours over several sittings.

**Certificate requirements:** Pass all module quizzes and 70% in final assessment.

We understand some users may need to complete this course on an annual basis. If this is the case, then please contact [elearning@prescqipp.info](mailto:elearning@prescqipp.info) and we can re-enrol you.

Course Name:	Aimed at:	Description
<a href="#">Managing medicines for adults receiving social care in the community: course 1</a>	Community-Based Care Staff	This course is based on NICE Guideline 67 and focusses on the medicine-related processes which social care providers need to consider in relation to medicines use. (Approx. time 2.5 hours – can be completed in stages.)
<a href="#">Managing medicines for adults receiving social care in the community: course 2</a>		This second course focuses on the practical issues relating to the provision of medicines administration support by social care providers. (Approx. time 4 hours – can be completed in stages.)

**Course Structures:** Each course is divided into several modules delivered in PowerPoint slides as a video with both text and audio features. There are also links to external resources and case studies to complete. At the end of each module there is a quiz to test your understanding as you progress through the course. You may take the module quizzes an unlimited number of times – these quizzes must be completed to progress through the course. The courses are designed to be completed in stages and not finished in one sitting. Each course has a final assessment, which has a pass mark of 70%. This will enable you to download your course certificate. You will have three attempts to pass the assessment.
