

COUGH?  
SORE THROAT?  
EAR ACHE?

I'VE GOT A  
SUPER BODY

Did you know...  
for these common illnesses,  
antibiotics DON'T usually  
speed up recovery?

Children with a normal immune system and up to date  
immunisations usually recover just as quickly WITHOUT  
antibiotics.

Find out how to help your children's 'super bodies' recover:
